Instructions

As you know, the requested records must be made available within three (3) days of this request. Please respond to this request via electronic format to the extent available. If there are costs involved in obtaining a copy of the records, please call me prior to incurring any copying costs in excess of \$10.00. Similarly, if any portion of the records responsive to this request contain exempt information that is commingled with nonexempt information, please produce all reasonably segregable portions of the records after deletion of the exempt information. In the event of deletion, I request that a reason be stated for each partial denial of access. To expedite this request, I would be willing to discuss specific instances of deletion or other exemption claims in advance of a final decision by your Department.
